

The 46<sup>th</sup> Apimondia is being held in Montreal September 8<sup>th</sup>- 12<sup>th</sup>, 2019.

If there is enough interest amongst the membership of NSBA, I am willing to coordinate a group registration for the event in order to take advantage of the discount available for early registration. Please find all details below.

Registration Fee structure:

Description	Paid by March 30, 19	Paid between March 31st and July 31st, 19	On-site
Full Congress Entry Fee	\$ 375.00	\$445.00	\$ 505.00
Full Congress Entry Fee (groups more than 10)	\$ 300.00	\$ 375.00	\$ 435.00

**Please note that the Fees do not include accommodations and travel.**

In order for us to qualify for the \$ 300.00 entrance fee, the organizer must receive all fees by March 30, 2019.

If we cannot get 10 committed individuals, than we will register through the “Ambassador Program”. Individuals will receive a 10% discount on the full congress entry fee. If we have to go this route, I will apply for the Ambassador program and circulate the code for those interested in attending. Applying for the Ambassador program may take a few days and we also have to allow time for the individuals to register directly.

In order to decide on which route we need to go with, I would appreciate it if individuals interested would contact me as soon as possible before March 10<sup>th</sup>.

In order for us to register on time, I require all fees from those interested **before March 21<sup>st</sup>**. This is important so that I can submit the group registration on time. As soon as I get a list of interested individuals, I will contact everyone to sort out the fees and registration.

Important: Registrations of all members of the group must be done by the person in charge of the management of the group only. No individual registration will be accepted

Important: Group reservation without the individual email addresses of the participants will not be accepted. Individual email addresses must be included in order to register a group

Important: Deadline for name change is July 15<sup>th</sup>, 2019. After June 15<sup>th</sup>, 2019 sponsors who wish to make name changes must pay a handling fee of \$25.

I would encourage everyone to visit the Apimondia 2019 Website (<https://www.apimondia2019.com>) to see the amazing lineup of presentations and additional workshops available (some with extra charges)

Please feel free to contact me should anyone have any questions,

Best Regards,

Peter Kwan
